OUR EDUCATIONAL PHILOSOPHY
In a free society, all individuals should have access to educational opportunities in order to develop their unique potential. The programs and services at Crafton Hills College help to promote an informed and engaged citizenry by providing an environment where intellectual dialogue becomes the foundation for lifelong learning. At Crafton Hills College, students prepare to meet the challenges of an increasingly complex society.

A BEAUTIFUL LEARNING ENVIRONMENT
Located in southern California, on rolling hills above the Yucaipa Valley, and surrounded by an undisturbed natural environment, Crafton Hills College offers majors in the liberal arts and sciences, and in career and technical studies. With its imaginative architecture, manicured grounds and spectacular surroundings, the atmosphere of the college is serene — right for reflection, growth and learning. The small size of the college allows for substantive, one-on-one communication between instructors and students.

COMMITTED FACULTY AND STAFF
Our dedicated instructors, most with master or doctorate degrees, teach in small classroom settings. Knowledgeable and professional administrative and support staff are available to assist our 6,200 students with each step of the educational process.

ADMISSIONS POLICY
Admission to CHC is open to those who meet any one of the following requirements:
1. Eighteen years of age or older and can benefit from instruction offered by the college, or 2. A high school graduate, or 3. Have a G.E.D. Certificate, or 4.
