Nicole Rodriguez—Teaching Aids

Nicole grew up in Royal Oak, Michigan and has been married to her husband Brian for 13 years. She has a 19 year old step-daughter Brianna, 2 daughters, Delany 10 and Leah 8, and a golden retriever mix.

Nicole would love to take a working family farm vacation in Ireland. She would like to see Ireland because it is beautiful, green and very far away and different from her regular life. She loves the country and would love to have the experience of living and working on a farm with her family.

If money or time were no object, Nicole would be traveling the world with her family helping orphans in Belize, building schools in India, building wheelchairs in Jamaica, rainforest conservation while living in a hut in the jungle and working in a wildlife sanctuary helping save big cats in Africa. Helping people, helping the world while getting to see many different beautiful and remote places, meeting lots of different types of people and experiencing lots of different cultures.
