If you have any comments about your experience at Crafton, please state them here. (n=25)
All personal are great and professional people. Thank to everyone for your attention and dedication. Blessings
Although I attended Crafton primarily during the pandemic, I thoroughly enjoyed my time here. Everyone is very helpful and made my time go by super fast.
Crafton has been the best experience of my life. I truly love this school
Crafton Hills is seriously the best school ever!!
Cranium café needs a work in progress as I had multiple problems with individuals stating they are free and even appointments and still do not hear back from them.
Dude [name] is the best professor
Everything was great!!!
Fun environment
Great staff! Wouldn't have graduated with the VRC Staff! Thank youuuuu!!
I have attended Crafton on and off for 10 years or more. I have lost count. During this time I have overcome many challenges. Personal and educational. If it wasn't for the amazing staff and professors here at Crafton Hills College I wouldn't be where I am today. I have found my passion, learned to follow my bliss and never gave up. Now because of the support and encouragement I received at Crafton, I found the courage to continue on. I am now a student at CSUSB in the BA Social Work program. Thank you!! The words for my gratitude cannot be expressed enough.
I Love CHC
I love Crafton!!
I love it
I love My experience in Crafton every step of the way and the staff, Professor were all helpful.
I love Crafton
It was great I would do it again
It was my second chance at life
Love Crafton was a great experience.
My experience here at Crafton hills college was amazing.
Pleasant experience
Thank you
Thank you to EOPS AND MY PROFESSORS !
The fire technology staff has been amazing through the years.
The Honors Program really helped me access the resources I needed to do well.
Very nice campus, engaging classes, some teachers need reviews though

Employed Full-time	33.3	42
Not employed	23.8	30
Seeking Employment	7.1	9
Total	100.0	126

Lastly, what advice would you give to a new student? (n=67)
All the time we must have a good communication with counselor and teachers. Also, follow the teacher's recommendations.
Always apply for financial Aid if you have an interest of another career, take classes for that career as well because the first option you might not like maybe Keep track of your grades and talk to counselor if necessary
Ask questions. Communicate with professors. Don't be afraid.
Attend class and listen to your Professor
Be persistent and don't be afraid to ask questions.
Do as much as you can to enjoy Crafton hills
Do not procrastinate. Don't take morning classes if you don't have to.
Don't be afraid to ask questions. Approaching strangers here will be the easiest anywhere. I promise.
Don't be afraid to ask questions. Enjoy campus events.
Don't be afraid to ask questions. Everyone is friendly and helpful. Also join clubs, programs, groups, etc.
Don't ever give up. It's hard but you got this
Don't feel bad for going to a community college and don't feel like you are in a race. Take on as much as you can handle.
Don't give up there's a light at the end of the tunnel
Don't give up!
Don't stress about anything. You'll achieve what you need to in time. Take it one step at a time and don't overwhelm yourself.
Engage with every activity you can as Crafton is a community.
Follow your bliss and never give up!! Trust in the grand unfolding of the Universe, it will take you where you are meant to be.
Get involved with as many organizations, join Honors, and talk with faculty.
Get It Done!!!
Give it all your best. Sometimes might seem a bit hard but everything can be done if you believe in yourself.
Go at your pace
Go to transfer center to university
Have Fun and be yourself
Have fun!
I doesn't matter how long it takes, or if the plan changes along the way, just finish. There will be ups and downs, twists and turns, and surprises along the way. Roll with them and never let them stop you. You ca do it!

If you set your goals and strive to complete them, the time passes quicker than you'd expect.
It gets better
It is an amazing campus with amazing staff
It might be difficult to say no to hanging out with your friends and family but it's worth it.
It's all possible with enough effort and the right support system.
It's never too late to attend college. Never give up.
It's your education so make the decisions based on what you want. Don't hesitate to change things and sculpt your own path.
Just keep going, never let anyone try to stop you on your goal.
Keep going
Keep pushing forward
Keep pushing forward and turn in everything no matter what.
Keep your head up and don't feel rushed to finish your education, there's no itinerary to life.
Life happens, just take a breath, relax, and keep going.
Never give up and strive for more.
Never give up no matter how long it takes.
Never give up on your goals.
No matter how long it takes, its okay.
Pay attention
Relax, dont worry too much about what you want to major in right away. Let it come naturally
Stay calm and have fun
Stay focused
Stay focused and positive
Stay focused! It can be a lot but keep your eye on the prize!
Stay grounded! Life happens, don't be afraid!
Stay on top of assignments
Stay open-minded and work hard.
Stay strong, apply for EOPS Throughout your career and stay connected to your Professor.
Stick with it
Study, Study, Study! It's worth it in the end.
Take advantage of everything Crafton has to offer and take the physics sequence at valley!!
Take advantage of the Present, don't and never leave things for tomorrow.
Take advantage of the programs and resources available to you!
Take your time, see counselors
Take your time. There is no need to rush. Time goes by fast.
Things in life may seem hard but they're not impossible.
To always try your best.
Too stick to it, NOT GIVE UP ever! I had many disabilities coming back! If you ask for help, you'll get it! Of all people not to graduate, it shouldn't have been me, I lost my memory a year and a half ago, still struggling, but I got all A's my last semester back! Thank you!!
Try your hardest and don't give up! It will be worth it at the end.
Use RateMyProfessor.com to find the best professor for the course you'll be taking. ALSO its okay to change majors sometimes, just never give up on your goal!
Work hard and don't slack
Work hard and stay on track.
Work hard, do your best, and enjoy the process. It will all be worth it!
