Dear Student:

Welcome to Crafton Hills College – one of the finest two-year institutions of higher education in the Inland Empire.

For the Spring term, we are continuing our commitment to “going green” and will not produce a formal printed version of the Schedule of Classes. The Schedule will continue to be available in PDF format online if you prefer a hard copy version. The most up to date schedule information will be provided in the campus eSchedule or through WebAdvisor.

We are very happy to announce the expansion of our Spring offerings over prior years. Thanks to the passage of Proposition 30 and increased State revenues, Crafton Hills College is growing again. You will have an easier time finding the courses you need and will also have the opportunity to use wait lists for the classes you want to add. So, whether you plan to complete a certificate, a degree, or prepare for transfer, the opportunities at Crafton Hills College are varied and rewarding. Our faculty and staff are committed to providing you with excellent instructional and student services programs.

Sincerely,

Cheryl Marshall
President
