How do I start to Starfish?

At spring In-Service, we saw compelling data regarding the success rates of "starfish" classes. These courses have a higher success rate among students in general, and when disaggregated by race, age, and gender.

Week you want flag activated	Low Grade Threshold (%)	Course/Section	Faculty Member
2/10/20	70%	C-ASL-101-20 C-ASL 102-25	Breanna Andrews

So now you ask, "What do I do?" or "How do I start to Starfish?"

Start Date	End Date	# Days of Inactivity	Course/Section	Faculty Member
1/20/20	5/4/20	7	C-ASL-101-20 C-ASL 102-25	Breanna Andrews

Easy answer: Automatic flags. If you use the Canvas gradebook, then you can sign up for "Automatic Low Grade Flags." If your course requires consistent and ongoing student use of Canvas, then you can also sign up for "Automatic Canvas Inactivity Flags." Simply fill out the charts to the right and send them to starfishfaculty@craftonhills.edu
