April 2021 Starfish Monthly Summary

Kudos to You: This Month's Starfish Superstars!

Congratulations to Cheryl DiBartolo and Jeff Cervantez.

You are this month's most active Starfishers! Keep up the good work!

This Month's Usage Data

☐ 1,833 Total Flags Raised   (135 manual, 383 progress report, 1,315 automatic)

☐ 1,180 Kudos Sent   ☐ 44 To-Dos and/or Referrals Sent

☐ 3,057 Total Tracking Items Raised

What does the future look like with Starfish?

Students already can plan out their course schedules in Starfish (see image on the right) … and starting as early as Spring 2022, students will also be able to register for their classes on the same screen, with a few clicks. This system will allow students with EdPlans to register in a more streamlined manner.

Questions, Comments, Concerns?
