

# FINANCIAL AID

## Have you submitted your 2023-2024 FAFSA or Dream Act application?

With college application season in full swing, it's important to remember that submitting your FAFSA or Dream Act application on time can help you access the financial aid you need to pay for college. Many programs have limited funding, and deadlines. By submitting your application by March 2nd you can increase your chances of receiving aid. The **March 2nd** deadline is quickly approaching. Contact the financial aid office at 909-389-3223 if you need assistance with completing your 2023-2024 application online.

## DECLARE A MAJOR

Declaring a major is important for financial aid because it can affect the amount of aid you're eligible to receive. Declaring a major can also help you stay on track academically and graduate on time, ultimately saving you money. While it's okay to change your major, declaring one early can maximize your financial aid opportunities and set you up for academic success.

### How do you declare a major at CHC?

Visit the Admissions & Records website and complete a Change of Major form.

### LATE START CLASSES

### SHOULD I ADD ANOTHER CLASS OR TWO?

Increasing your units at CHC can potentially increase your financial aid and save you money. Many types of financial aid, such as Federal and State grants, require students to be enrolled in a minimum number of units each semester.

We have late start classes starting in March.
