

Welcome to the Academic Senate

The Academic Senate is the voice for the faculty on all matters related to curriculum and academic standards. In its simplest form, the Academic Senate is the main source for faculty recommendations on anything related to our students. In technical terms, faculty have purview over any item related to the "The Ten Plus One," a detailed list of 10 items and a general "+1" which are outlined in Title 5 (state law) and shared on the next page of this agenda.

Purpose

The Academic Senate shall serve as the representation of faculty whenever consultation or interaction for making recommendations in the areas of curriculum and academic standards with the District or the college administration is necessary. Unless it is directly under the authority of the faculty bargaining agent, [SBCCDTA](#). This is in accordance with, [Education Code §70902 \(b\)\(7\)](#) "...the governing board of each community college district shall... ensure the right of academic senates to assume primary responsibility for making recommendations in the areas of curriculum and academic standards."

The local Academic Senate relies on the State-Wide Senate, [ASCCC \("A. S. triple C"\)](#), for recommendations and state-wide representation.

Primary Recommending Body

Academic Senate recommendations take precedence. California State Law, Title 5, gives the senate its powers. Please read the law in full here: [Title 5 § 53203 - Powers](#)

"[O]nly in exceptional circumstances and for compelling reasons will the recommendations [of the academic senate] not be accepted. If a recommendation is not accepted, the governing board or its designee, upon request of the academic senate, shall promptly communicate its reasons in writing to the academic senate."

Direction of Work

Faculty guide the work of implementing, when deemed pedagogically appropriate by faculty, Strategic Directions and Student Equity Goals in areas related to academics and curriculum. The Ten Plus One helps us ensure that faculty are the main source of recommendation for anything related to student support, instruction, and preparation.
