1. Learning Outcomes Statement

(left blank)

2. Means of Assessment (Measurement Method)

Listening Assessments (measures students ability to listen for general ideas, facts, and inferences)

3. Criteria for Success (Benchmark)

(left blank)

4. Summary of Evidence

(left blank)

5. Use of Results (Implications for Program Improvement & Planning)

Result: This identical listening assessment will be used again for Spring 2012 ensuring all classes use the youtube video of Jimmy reading it. We determined that repetition appears to be key in student's ability to listen and remember and must be used whenever possible through extensive reviews of course materials. It was determined that students will be able to take notes during this assessment next semester.
