

### BUSAD 053 - SLO's

Upon satisfactory completion of the course, students will be able to:

1. Add, subtract, multiply and divide rational numbers
2. Use the orders of operations to simplify expressions involving rational numbers.
3. Solve simple single variable first degree equations
4. Use equations to solve business related problems
5. Calculate finance charges, annual percentage rates, amount of payoff and monthly payment amounts for loans.
6. Calculate the closing costs, monthly payments, total interest, and PITI for fixed-rate mortgages.
