

SLO

CD 131 Developmental Art for Children

1. Demonstrate knowledge of components of Arts and Crafts.
2. Identify Art theorists and how they are represented in children's Art today.
3. Demonstrate the ability to write developmentally appropriate Art/Craft curriculum for School Age and Preschool age Children, connecting the activity to grade-level/preschool state standards.
4. Plan, implement and evaluate Art activities for children.
5. Write a essay paper that identifies a specific Art theorist and analyze how the theory is perpetuated today.
