Join us for our next Classified Senate Meeting

Friday, March 7th 2-3 p.m. LRC 226

You Spoke and We Listened!

Beginning in March, through a partnership with Professional Development, we have a lineup of workshops that you asked for! In response to our survey of what you'd like to see offered to classified staff, the following workshops are being offered next month:

Basic PC Computing Skills

Presenter: Trelisa Glazatov

- Work with windows, toolbars, and command menus
- Perform basic word processing and graphic tasks
- Explore Web browsing basics
- Save, copy, and organize your work

College Customer Service

Presenter: Rejoice Chavira

- What is exceptional customer service?
- What important qualities do people desire in customer service?
- How can we focus on what we can do instead of what we can't do to serve students?

Stress Management

Presenter: Manika Singh

Stress affects us in many different ways. This workshop will provide you with practical strategies for managing stress and bring your life into balance.

....More of what you requested is coming your way this April
