   9%

Safest place for your money?

1.

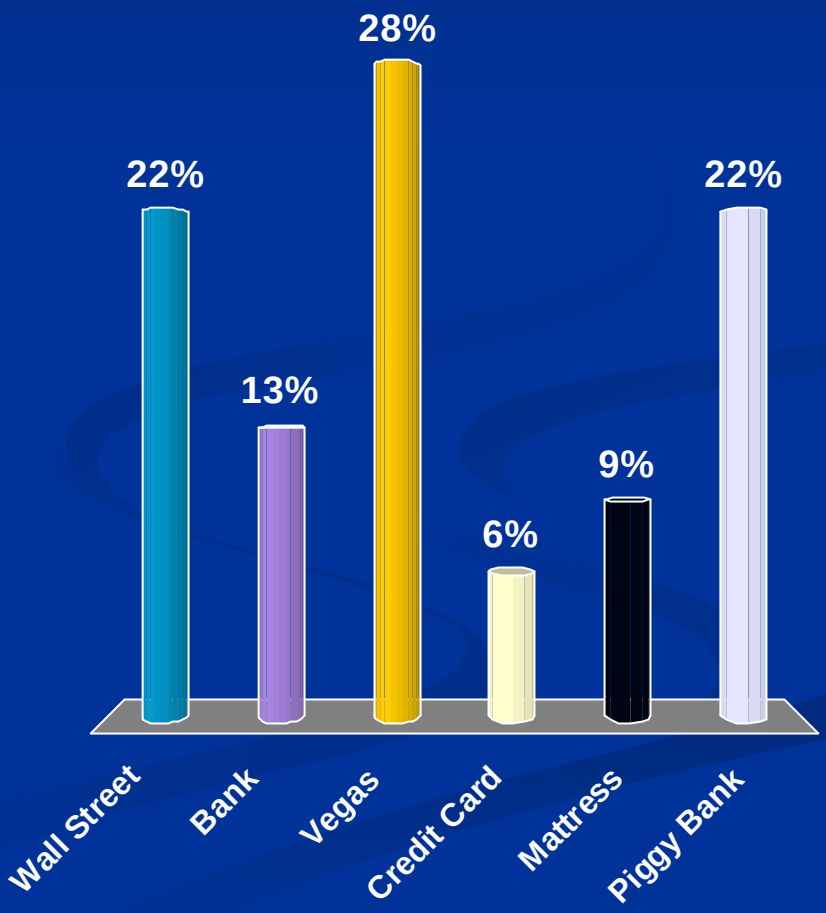
2.

3.

4.

5.

6.



Benefits of using clickers:

- Promotes student engagement.
- Assess student understanding/viewpoints.
- Immediate feedback for students/instructor.
- Provides a means of classroom assessment.
- Can be adapted to fit a variety of situations.
- All data gathered can be saved and used for SLO assessment and improving student learning.
